7:00 – 9:00 pm

Trinity Episcopal Church

1500 State Street

Santa Barbara, California

Join us for this public event as part of the 22nd annual space organizing conference of the Global Network Against Weapons & Nuclear Power in Space. Meet activists from around the world who have come to share their stories about growing militarism and non-violent resistance in their communities.

A distinguished panel of speakers and two great singer/songwriters will be part of this exciting program. The event is free and open to the public.
